

## WASTE MANAGEMENT SERVICE OPTIONS

The Village recently extended its contract with Waste Management to provide residents with an expanded recycling program and three choices for trash service. Residents are encouraged to recycle more of their waste and during the month of March each year residents can upgrade from a WM 65 gal. recycling cart (the one with the yellow lid) to a WM 96 gal. cart at no charge. Changing the cart size during any other month will cost \$25.

The contract extension also provides for the following three trash options:

- 1) continuation of the current unlimited residential curb service (use your own cans or bags) for \$18.69/month, which includes a recycling cart;
- 2) unlimited service using your own cans or bags and one WM 96 gal. trash cart for \$21.89/month, which includes a recycling cart; or
- 3) residential trash pickup limited to one WM 65 gal. trash cart for \$18.57/month, which includes a recycling cart. Residents who choose option 3 who may have additional trash to be picked-up on a day can purchase stickers at Village Hall for \$3.00 each.

The prices quoted above apply in 2014 and increase by 3% each year thereafter.

Offering a limited trash option and free upgrading to a 96 gal. recycling cart are part of Kildeer's efforts to promote recycling, control disposal costs, and extend to life of the landfills. **To upgrade your recycling cart or change you trash service, please contact Waste Management's Customer Service at 800-796-9696 between 7:00 a.m. and 5:00 p.m., Monday through Friday.**
